

Spark a clean energy future! Volunteer with Menlo Spark

Menlo Spark is helping the city of Menlo Park reduce its greenhouse gas emissions to net zero. Everyone can make a difference. We need YOU to help lead the way.

Who: Adults and young leaders.

Time Commitment: Any! As little as 10 minutes a week.

Where: Around town or in the comfort of home.

What: Lots of options! Focus groups; social gatherings; letter-writing; event tabling; street crews; social media; photos/videos; challenges and contests.
